*We began showing dogs in 1967 when we purchased our first Boxer Ch Tarankani Desert Haze Cd, multi group winner at Royal shows. I was a highly successful junior handler during the 1970's and was integral in the creation of the PAL Junior Handler competition - the 'Crufts' qualifiers from Australia for Intl Junior Handling competition. I drew up the first diagrams used for the 'rules' and with Wendy Slatyer and Peter Warby. I founded the Junior Kennel Club of NSW and was integral in having the age limit for Juniors competitions increased from 11 and under 14years to 11 to 17years. In the 1980's I was invited to join the RAS of NSW Spring Fair Committee the youngest person ever appointed to that committee. I learnt valued and important show administration from my mentors on the committee,*

*Mr Bob Curtis, Harry Spira, Jim Hayward. During my time at University I worked with Dr Robert Zammit and the late Dr's Harry Spira and Andrew Harwood. Under their tutorage I learnt all aspects of canine health medicine and management. As a high school student working my holidays with the late Peter Warburton and his partner John Edwards I learnt about grooming and dog care of all breeds. I owe my passion for dogs from my grandfather the breeder and owner of famous hounds in the 1940's and 50's including the Greyhound Bradfield Lad, my Aunt Winifred who exhibited Santalina German Shepherds and was involved in the lifting of import bans during the late 1960's early 1970s; my uncle Kevin whose famous German Shorthaired Pointers are included in the Australian Kennel Club ANKC Hall of Fame, and of course my parents Wally and Robyn who have been exceptional in their love and breeding of Boxers under Tobana Kennels. More recently my passion is extended through my son and his love of his Griffons, following from his godfather Steven Seymour, of the famous Beagriff (Griffons and Beagle) kennel, Aaron is showing his Griffon Oscar. He has already a passion for judging and as much as possible travels with me to all my judging assignments. I have bred too many champions to individually mention and won in show awards at several Royal shows and specialties in Australia with our Boxers. I have made champions in Cocker Spaniels, Boxers, Dalmatians, Dobermans, Great Danes, Poodles, Keeshond and GSP. I started judging with my Boxer Specialist license in 1985. Since then I have gained Toy, Terriers, Gundogs, Utility and Non Sporting at champ level.*
