Have had the pleasure of winning Best in Show at all three UK Breed Clubs over the years. Owned two Champions, Ch Spott on Henry of Bransbegin who was already a Ch when he came to me, and made up Ch Ascotheath Regency Belle, bred Ch Phaeland Phiddlesticks, (son of regency Belle owned by Susan Gatheral). Made up Ch Dalmark the Sunspot bred by Margaret Kembrey, Sunspot only had one litter and out of it came Ch Mariscat Manhattan. Manhattan is thirteen years old and lives the life of a grand old gentleman. His mother died last year at fifteen and a half.
